

CHATHAM BALLHAWKS VOLLEYBALL CLUB

Parent Volunteers:

Parent volunteers are the backbone of this club. By getting involved you will ensure that you and your child will have a rewarding volleyball experience together. Brief descriptions of volunteer opportunities are outlined below:

1. Team Parent Manager: One or two parents per team. Maintains communication with parents by email or phone; insures that all players have rides to tournaments; arranges accommodation if necessary; maintains health information for players; coordinates minor officials (score keepers, lines persons) for each tournament and maintains tournament results; contacts the media with tournament results.

2. Fundraising Representative: One parent representative per team. May work on a committee to plan fundraising activities for CBVC; may work with the committee to obtain corporate sponsorships or directory advertising; organizes parents to work at concession booths at tournaments and assigns their responsibilities; may investigate and recommend initiatives to offset club, team operating costs and/or team accessories.

3. Social Committee: One parent representative per team. Communicates with parents from their team about upcoming CBVC social activities, tournament hosting, etc.; works with banquet convener to organize the year-end banquet.

4. Scorekeepers: Many tournaments require teams to provide one volunteer scorekeeper per match. We encourage all parents to learn how to keep score by visiting the OVA website and downloading the information on how to score keep from the "Officials" section of the website.

5. Lines Person: Every match at every regular season tournament requires teams to provide one lines person. We encourage all parents to take their turn volunteering as a lines person. In this way our players can stay with their team on, or near, the bench and be a part of the learning that takes place on the bench during games.

Whether, as a parent, you choose to volunteer, or not, you are expected to understand and abide by the Parents Code of Conduct included in this package.
